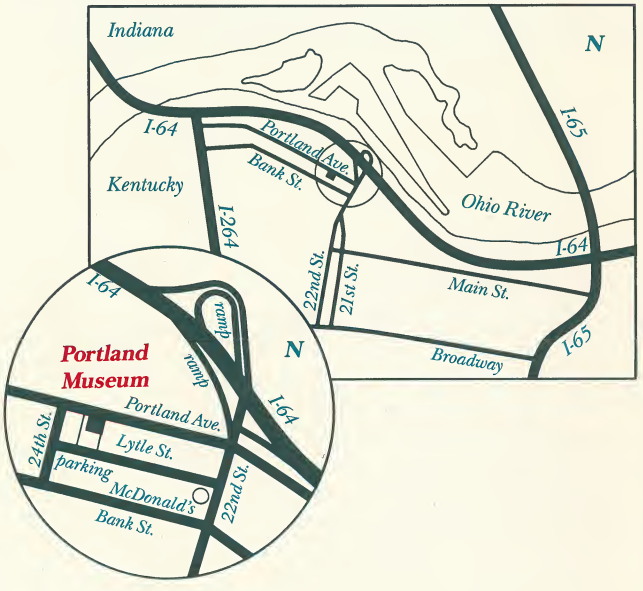
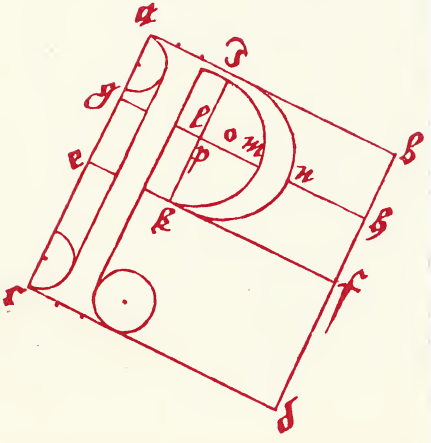
GET LOST

Don't Get Lost on your way to the Portland Museum.
We're located one block west of the 22nd Street exit off I-64.
Here's a map to help you.



PURE KENTUCKY

Printed in Cooperation with Department of Travel Development



IN HISTORY AT THE PORTLAND MUSEUM.

History is filled with marvelous twists and turns, curves and shortcuts and even scenic routes. Sometimes it's best to have a map to guide you through the drama of the way the world once was. Often it's better to find your own way, to get lost as you travel through time.

At the Portland Museum, you can have it both ways—get lost in history and let us be your guide. It's guaranteed to be an exciting trip.

Explore Louisville's river heritage through permanently-displayed dioramas, life-sized mannequins, automated soundtrack, video documentaries and much, much more... **at the Portland Museum.**

Where we came from:
Founded in 1978 by elementary school teachers, the Museum has grown from a single classroom to its present location in Beech Grove, an antebellum "country estate" on the old road to Louisville.

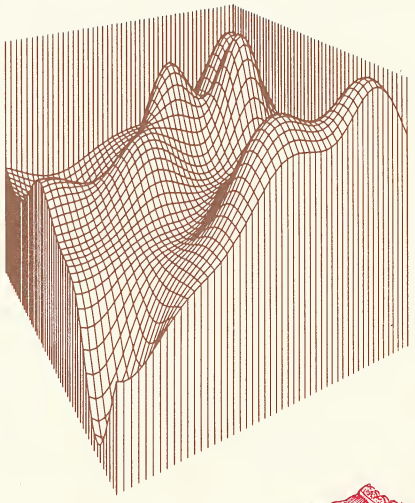
What you'll find at the Portland Museum:
Portland: the Land, the River and the People, a permanent exhibit / Albert B. Comstock Gallery exhibiting the arts and humanities / William & Mary Skene Gallery interpreting Beech Grove's history / Portland Memory Center for neighborhood history / The Kids' Gallery exhibiting work by children / Beech Grove Press, a working letterpress printshop / Local history archives and collections.

DISCOVER

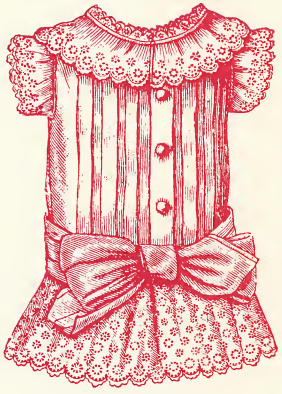
the natural wonder of the untouched Falls of the Ohio reconstructed in a terrain model.

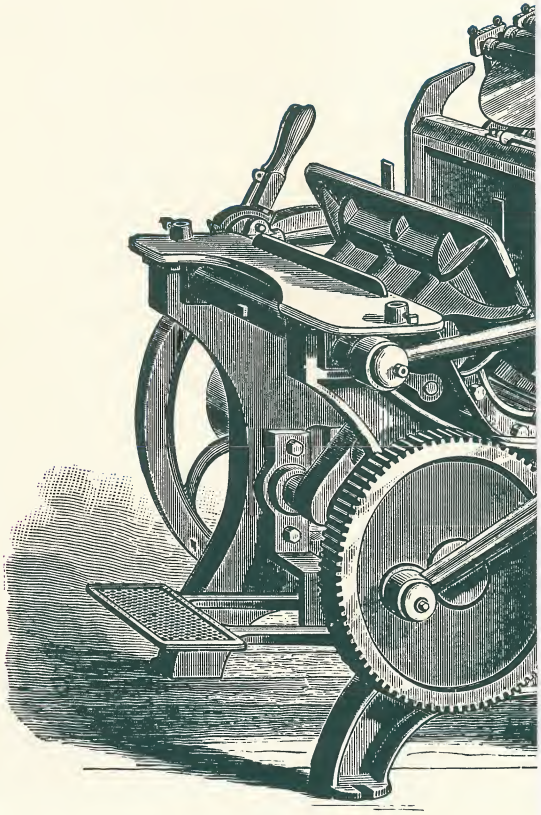
WITNESS

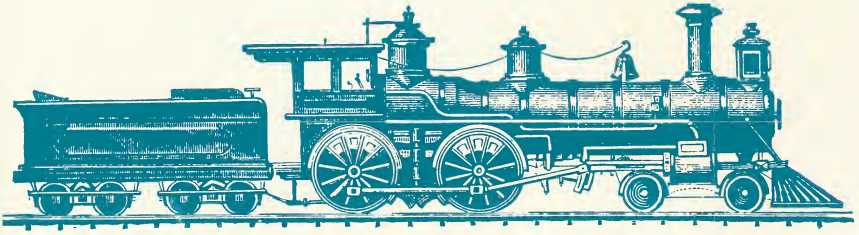
the excitement and drama of Native Americans hunting buffalo at the Falls.



WISDOM







HEAR

the lonely call of the steamboat leadsman measuring the depth of the mighty Ohio.

MARVEL

at the height of the Kentucky giant.
